

Atherstone & Bedworth Heath Maintained Nursery Schools and Warwickshire Early Years Hub

Our Key Person Approach

“Children learn to be strong and independent from a base of loving and secure relationships with parents and/or a key person” (EYFS 2014)

Our Key Person Approach is organised by placing children into Family Groups when they start nursery. The Family Group Leader assigned to your child will provide you with further information about this process during the course of your home visit.

A Family Group leader is a special person who is there for you and your child who is.
