

## Caterpillar Nursery Learning Focus Share Spring 3

Over the last couple of weeks, we have continued to expand on the children's strong interest in birds! We have shared bird themed books and stories, learnt new songs and even explored a real bird's nest.

The Chatter Matters week theme 'Whatever the weather' has linked beautifully with our 'What's in the garden?' project, and has sparked lots of conversations about all of the changes we see in nature during spring time.

We have re-visited lots of the chatter matters songs and enjoyed singing and dancing with the scarves and lycra.
