Can you go on a minibeast hunt. Either in the garden, park or woods. What kind of insects can you find? How many insects did you find?

Can you describe the insects?

Maths Focus – Full or empty?

Gather a selection of clear plastic bottles, cups or containers and place them in a tray (or you could even use the bath!)

Fill a jug with water and encourage your child to explore filling and emptying the different

containers. Top tip- you may wish to use a little food colouring to make it easier for your child to see the water inside the containers. As they do this, talk about how full, empty, nearly full or nearly empty the bottles are.

Can you write some of the letters in your name.-Start with the initial letter first.

Can you go on a listening walk around your house or garden.

What sounds can you hear
e.g. birds, cars, a
ticking clock etc.

Can you make some cupcakes with your grown up? Maybe you could add some coloured icing and sprinkles. Yummy!

Here is a recipe:

Ingredients

- 200 g butter (softened)
- 1 1/2 cups caster sugar
- 2 eggs
- 1 tbs vanilla extract
- 3 cups self-raising flour (sifted)
- 1 1/2 cups milk

Method

- Preheat the oven to 180°C or 160° fan-forced. Line 2 x 12-cup cupcake tins with patty pans and set aside.
- Use a whisk to beat the butter until pale. Add the sugar and beat until the mixture is creamy.
- Add the eggs one at a time, beating well after each addition. Add the vanilla and mix until well combined.
- Add the flour and milk alternately, a little at a time, mixing until combined.
- Spoon the mixture into the patty cases and bake for 18-20 minutes, until cooked and golden-brown.
