

# Caterpillar Home Learning

Can you go on a minibeast hunt. Either in the garden, park or woods. What kind of bugs can you find? How many bugs did you find?

Can you describe the bugs?

Hide some Teddy bears, soft toys or any toy around your house or garden. As they find the toy, encourage your child to count how many they have found. Once you have found all them ask, 'How many do you have altogether?'

Can you do some finger painting on a large piece of paper or a recycled cardboard box. I wonder what masterpiece you will create!

Can you have a teddy bears picnic, this could be in your garden, or at the park, or even if it's a rainy day you could have an indoor picnic.

Don't worry if you don't have a bear, any toy can be used.

What food will you eat?

What teddy will you take.

## Story Time – We're Going on a Bear Hunt

Read the story 'We're Going on a Bear Hunt' to your child. If you do not have access to the book you can listen to it and watch it on YouTube:

Can you make some cupcakes with your grown up? Maybe you could add some coloured icing and sprinkles. Yummy!

Here is a recipe:

## Ingredients

- 200 g butter (softened)
- 1 1/2 cups caster sugar
- 2 eggs
- 1 tbs vanilla extract
- 3 cups self-raising flour (sifted)
- 1 1/2 cups milk

## Method

- Preheat the oven to 180°C or 160° fan-forced. Line 2 x 12-cup cupcake tins with patty pans and set aside.
- Use a whisk to beat the butter until pale. Add the sugar and beat until the mixture is creamy.
- Add the eggs one at a time, beating well after each addition. Add the vanilla and mix until well combined.
- Add the flour and milk alternately, a little at a time, mixing until combined.
- Spoon the mixture into the patty cases and bake for 18-20 minutes, until cooked and golden-brown.

Can you sing old Macdonald had a farm please follow this [link](#).
