

Butterfly Nursery

Can you draw a picture of your home? How many windows does it have?

What shape is your door? What colour is your door?

Can you go for a walk around your local area, and have a look at all of the different kind of homes that people live in e.g. houses, flats, bungalows etc.

If you go for a walk in the woods, then maybe you could build a house for the 3 little pigs made from sticks or stones. You could build any size, big, medium or small.

Can you have a look on a world map (Book, poster, globe or online) and see if you can find England?

It is Shrove Tuesday during the half term holiday, so could you make some yummy pancakes. Here is a simple recipe and you can choose any toppings that you like!

Put 100g plain flour, 2 large eggs, 300ml milk, 1 tbsp sunflower or vegetable oil and a pinch of salt into a bowl or large jug, then whisk to a smooth **batter**. Cook on a medium heat until slightly crispy and brown. Don't forget to see if your grown up can toss the pancake over!

We hope you enjoy these fun activities. If you have any photos then please send them in, so we can share them at family group time.

Hope you all have a lovely half term. From Butterfly Team
